At **BIZZHUB DEVOPS (OPC) PRIVATE LIMITED**, we strive to deliver high-quality services tailored to the needs of each client. Due to the nature of our work — which involves time, resources, and specialized expertise — we have the following Refund and Cancellation Policy in place.

1. Cancellations

a. Before Project Start

Clients may request cancellation **before** any work has commenced by notifying us in writing at info@bizzdevopos.com. In such cases, a partial refund may be issued **after deducting administrative or consultation charges**, if applicable.

b. After Project Start

Once the project has started or work has commenced (including strategy, planning, consultation, or execution), cancellation is **not permitted**, and **no refunds** will be issued.

2. Refunds

We generally do **not offer refunds** for any services already delivered or initiated. However, under **exceptional circumstances**, a partial refund may be considered **at the sole discretion of the management** if:

- The service was **not delivered as per the agreed scope**, and

- The issue is brought to our attention within **5 working days** of delivery

All refund decisions will be made after internal evaluation, and any approved refund will be processed within **7–14 business days** via the original payment method.

3. Non-Refundable Items and Services

The following are **strictly non-refundable**:

- Government fees, registration charges, and stamp duties
 - Third-party payments (e.g., hosting, domain, paid plugins, ad spends)
 - Services rendered partially or in full (including initial drafts, reports, filings)
 - Any payments made under milestone-based projects once the milestone is reached
-

4. Project Delays & Client Responsibility

Delays caused by **client inaction**, including lack of documents, delayed approvals, or unresponsiveness, will **not qualify** for cancellations or refunds. Clients are expected to actively participate and respond to project requirements within agreed timelines.

5. Modification or Termination by Us

We reserve the right to cancel or terminate any service engagement:

- If the client is found to violate our Terms and Conditions
- If payments are not made on time
- If cooperation or communication is lacking

In such cases, any refund (if applicable) will be at our discretion..
